

Dear Parents:

Our staff have been participating in a series of training sessions, which will enhance the quality of child care in our centre. One of the sessions is called Developmental Preschool Screen (DPS). This tool will enable us to screen all children in our Centre and ensure that we are effectively meeting their developmental needs.

Please return the following permission form as soon as possible. This will allow us to complete the simple 15 minute screen with your child. Please be assured that all results will be completely confidential and will be shared with you once the screen has been completed.

Should you have any questions, please do not hesitate to contact myself or Melissa.

Sincerely,

Maria Aindow

Supervisor

I give permission for the Developmental Preschool Screen (DPS) to be completed on my child.
